of Correction

Sir:

REQUEST FOR A CERTIFICATE OF CORRECTION

The patentee in the above-identified U.S. Patent No. 6,969,630 ("the '630 patent") hereby requests that the Patent and Trademark Office issue an official Certificate of Correction pursuant to 37 C.F.R. §1.323 for the following error made by the USPTO.

On the Title page of the '630 patent, item (75) "Inventor: Mehmet Ozgur", "Mona Zaghoul" should also be listed as a co-inventor. On September 27, 2005, a *Decision on Petition Under 37 CFR 1.48(a)* was issued in the above-identified application, granting a previously-filed Petition to add Mona Zaghoul as a co-inventor in this application. A copy of this Decision is attached to this Request as Attachment A. The Decision stated that "[t]he image file is being updated with this information and that messages were forwarded to the Publication Branch to ensure the correct inventors will be printed with

the patent when it issues.” Nevertheless, Dr. Zaghloul is not listed as a co-inventor on the printed patent.

Attached hereto as Attachment B is a draft Official Certificate of Correction for use by the Patent and Trademark Office for correcting the above-identified error.

Since this error arose on the part of the Patent Office, it is believed that no fee is due for filing this Request for a Certificate of Correction.

However, the Commissioner is hereby authorized to charge any deficiency in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our **Account No. 14-1140**. A duplicate copy of this sheet is attached.

Respectfully submitted,

NIXON & VANDERHYE P.C.
